The National Capital Bank of Washington Announces Third Quarter Dividend

Washington, D.C. – The National Capital Bank of Washington (NCB) announced today that its Board of Directors has declared a third quarter dividend of \$0.50 per share for shareholders of record as of October 31, 2017. The dividend payout of \$144,388.50 on 288,777 shares is payable November 15, 2017.

The National Capital Bank of Washington was founded in 1889 and is Washington's Oldest Bank. NCB is headquartered on Capitol Hill with a second branch located in Friendship Heights, a residential mortgage and commercial lending office, as well as a wealth management services office. The Bank trades under the symbol NACB. For more information about NCB, visit www.nationalcapitalbank.com.
